What are Doves learning this half term?

ENGLISH

Writing:

- The Firework-Makers Daughter – we will create an adventure narrative in the role of Lila.
- All The Best (Poetry) – we will create narrative poems.

Reading:

Earth shattering events, The Firework-Makers Daughter, All of the best.

GEOGRAPHY

How do Volcanoes form and what impact do they have? (Topic title)

We will explore the following questions to support our topic;

- What is a Volcano?
- How are Volcanoes formed?
- What are the parts of a volcano?
- Where are Volcanoes found?
- What types of volcanic activity are there?
- What impact do volcanoes have on people and the environment.

SCIENCE

Flowering Plants Lifecycles.

We will explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal. We will identify and describe the functions of some parts of a flowering plant. We will know that plants need air, light, water, nutrients and room to grow.

PSHE

- Understanding the law
- Wellbeing

RE

Do Christians have to believe in God as Trinity?

- Know that some Christians do not believe that they have to understand God as a Trinity.
- Quakerism is a denomination of Christianity.
- Not all Quakers understand God to be a Trinity.

DT

Crazy Gold.

We will be creating a 'crazy' gold course hole for family entertainment that includes a shell structure tunnel.

FRENCH

Body parts

la tête	l'œil
le bras	la main
la jambe	le pied

MUSIC

Reflect, Rewind, Replay

Consolidating knowledge from the year
