Sports Days

We're excited to welcome everyone to Sports Days next week, proudly run by The Trin. Families are warmly invited to come along and cheer on the pupils throughout the events.

A gentle reminder about safeguarding: parents are welcome to take photos of their own children, but please avoid sharing images of other pupils online.

Children should wear their school PE kit (white t-shirt, blue/back bottoms). If weather is warm, please ensure pupils come with a hat, and have suncream applied in the morning.

Strawberries and cream will be on sale for £2.50, with all proceeds going to Friends of School.

Join us for a fun, active, community spirited day.

Year 5 Drama Workshop

Year 5 visited Clee Academy this week to take part in a drama workshop based around the play Matilda. The children spent the morning with staff and pupils from Clee Academy, learning songs, stage direction and even had a go at performing. We have some very talented, future stars in the making.

The children were excellent ambassadors for the school, impressing staff at Clee Academy with their behaviour, team work, listening skills and ability to follow instructions.

In July the pupils will visit the auditorium to watch the show - well done everyone.

Sponsored Walk

We are thrilled to announce that as a school we raised **£792.91**

This money will go to the Love As Action Together Fund which provides much needed resources to children and families across our Trust.

Thank you to everyone who supported - either walking with us, sponsoring the children or cheering us on on the seafront!

Your generosity is incredible.

Thank you.

Year 6 Residential

Year 6 pupils who are going to residential in July:

Please join us for a parents meeting on Friday 26th June at 3.30pm in the school hall.

There will be a presentation about Back to Bear, kit lists, FAQs and a chance to speak to us about the trip.

Thank you.

Curriculum Updates

We have been working hard updating the whole curriculum over the course of this year. We focused at the start of the year on core subjects and have a bespoke writing and reading curriculum in place which is having a really positive impact on teaching and learning.

Science, Music, PSHE and RE have all been revamped and by the end of the term all foundation subjects will have been updated and in place ready for September. We have built in contextual learning - at St Peters, for St Peters - and we are thrilled to have an exciting curriculum offer for all children from EYFS-Year 6.

See our website for more information.

Behaviour Spotlight - lunchtimes

We expect all pupils to show kindness, good manners, and respect in the lunch hall. This includes using quiet voices, staying seated while eating, following adult instructions, and keeping the area tidy. Children should not share any food with anyone, this is a health and safety issue and can cause issues with allergies etc.

I know that, as parents, we want our children to be able to eat in a communal space with respect and we can all work together to embed those expectations and routines from an early age.
