

A Message from Lincoln Anglican Academy Trust:

How LAAT Supports Our Schools

LAAT is a family of 24 wonderful schools, each with its own character, community and identity.

Our role is to support our schools and help them thrive. We bring together colleagues with expertise across education, finance, HR, estates, health and safety, data and operations, who work alongside school teams to provide advice, support and practical help. By sharing this expertise across LAAT, we can ease pressure on busy school leaders and give them more time to focus on what matters most: giving every child the best possible education.

What does LAAT do?

We provide specialist support in areas including:

- Education and school improvement – leadership development, curriculum, teaching and learning, assessment and inclusion.
- Finance – helping schools manage resources effectively and meet financial and regulatory requirements.
- People and HR – recruitment, employee relations, wellbeing, training and professional development.
- Payroll and pensions – providing accurate and reliable administration for school colleagues.
- Operations and administration – supporting the efficient day-to-day running of schools.
- Health and safety – helping schools maintain safe environments for pupils, staff and visitors.
- Data and insight – supporting informed decision-making and school improvement.
- Governance – working with school and Trust governance structures to ensure effective processes and compliance.

What doesn't LAAT do?

Being part of LAAT does not mean every school becomes the same. Schools retain their individual identity, character and connection to their communities.

LAAT does not:

- Decide how individual schools organise their classes or classrooms.
- Set day-to-day school routines.
- Choose class names, displays or decorations.
- Decide which trips, celebrations, events, clubs or enrichment activities take place.
- Interfere with PTAs or Friends groups.
- Decide which local traditions schools maintain.
- Replace the relationship between schools, parents and their communities.
- Dictate how schools engage with their local communities.
- Set each school's calendar and events programme.
- Control how schools communicate with families, provided they meet Trust standards.
- Make every spending decision for schools; school leaders manage their delegated budgets within the Trust's financial framework.

Welcome Back

I am thrilled to welcome you all back to school following the holidays. We welcome our new starters to Wrens, and I am pleased that all the children have come back settled and ready for an exciting term of learning. Our curriculum has been updated over the holidays and there is some exciting learning for all children – learning overviews will come home.

Staff are excited for the year ahead and we look forward to sharing updates, planning trips and sharing the wonderful things we do at St Peter's.

Please follow us on our Facebook page and check the website for updates.

As part of the Government Free Breakfast Club programme, we are delighted to offer a free breakfast each morning from **8.15am to 8.45am, Monday to Friday**. The Breakfast Club provides children with a healthy start to the day, helping them to feel settled, ready to learn and prepared for a successful day at school. It also offers valuable support for families by providing a safe, welcoming environment before the start of the school day.

Our existing Breakfast Club will continue to run as normal from **7.45am**, providing additional childcare and supervision for families who require an earlier start. This session is available for **£1.50 per child per day**, with children able to enjoy breakfast and take part in activities before joining the free Government Breakfast Club provision at 8.15am. We are pleased to be able to offer both options and look forward to supporting as many families as possible.

Please book in through the MCAS app.

Welcomes!!

A huge welcome to Team St Peter's:
