After-school Clubs and Visits

We have been pleased to offer an array of clubs this half term, and will be sending out the list for next half term next week. Please book on via the MCAS app.

We have also created an annual overview of trips and visits for the children in all classes. All of the trips will be subsidised by school, keeping the costs down for families. Please try to pay the contributions via MCAS, but also speak to us if you are having any difficulty. Our next whole school experience is Indian Dance Workshops, every child will have the opportunity to take part in learning a different style of dance – exciting!

Reminder to Year 6 parents, the residential trip letter has gone out and is now live on MCAS.

Parents' Evenings

Thank you to all our families who came to this week's parents' evening. It was a wonderful opportunity for staff to talk about your children – how they've settled, how they are getting on academically and socially and targets or next steps for the coming months.

If you were unable to attend, please do see your child's teacher, they will be more than happy to meet after school or via a phone call. Thank you.

We have lots of internal data which I already showing the progress of the children – from EYFS baselines, to phonics, Y4 MTC and Year 6 Practice SATS – all pupils are working hard and we seeing the fruits of their labour in the data.
