## Online Safety Over Half Term

As we head into the half-term break, we would like to remind families of the importance of keeping children safe online. With many children spending extra time on devices, it is a good opportunity to check privacy settings, discuss age-appropriate games and apps, and encourage open conversations about their online experiences. Please remind your child never to share personal information and to tell a trusted adult if anything online makes them feel worried or uncomfortable. Together, we can help ensure that children enjoy the benefits of technology safely and responsibly.

**Eagles: 98%**

## Going on at LAAT?

Miss Wilson and Mr Ashton met with other local LAAT Heads this week; we have put some dates in the diary for some joint celebrations and events this year including a Year 2 Church Schools' Festival, a Times Tables Bee for Year 4, Year 6 visit to Lincoln Cathedral and shared participation in the Lincoln Cathedral Carol Service in December. We love working with other schools in our Trust so are looking forward to sharing these events with you all.
