Bromcom/MCAS national issues:

As you are probably aware there have been major issues nationally with our MIS provider BROMCOM since Wednesday 3rd September 2025. Our Admin Team has been working extremely hard to minimise the disruption of the day to day administration of the school, however we are aware that there has been a significant impact on the parent and communication section of BROMCOM, known to you all as My Child At School (MCAS) over this last week. We send our sincerest apologies to all parents and carers affected by this and we have had reassurance that this will be resolved by BROMCOM as soon as possible. Thank you for your understanding and patience, please contact the school office on 01472 691964 or enquiries@stpeters.laot.co.uk if you need any further support.

Harvest Festival

We will be holding Harvest in school on Monday 22nd September; we would ask that children bring in a small donation (dried or tinned foods, cereals etc) which we will be donating to the local food bank.

Children can take their donations direct to their classes and we will display them in the hall for Harvest Festival before taking them to the food bank.

Attendance

As Safeguarding Lead in school I am working closely with the local authority attendance officer around school attendance; our attendance rates in school fluctuate and whilst I appreciate that children get ill and cannot therefore be in school I will be closely monitoring patterns of absence and term-time holidays. Under DfE guidance any child taking a term-time holidays of 5 days or more will be referred to the local authority and families may be issued with a fixed penalty notice. Regular attendance in school enables pupils to make more progress, develop better relationships with staff and peers, and I thank you for your cooperation in this area.

MCAS

If you are yet to sign up to the My Child At School app (MCAS) please do this as soon as you are able. The app allows you to book lunches, trips, after school activities and breakfast clubs. It also ensures that you will receive any messages from school. If you need any help with this please pop in and ask the office for some help.

Heritage Open Day

As part of local celebrations Year 5 visited the Town Hall today for the Heritage Open Event. The children enjoyed learning about the history of Cleethorpes and learning about what our seaside town was like in its heyday—we even got to watch a Punch and Judy Show!
