Year 5 and 6 Online Safety Trip

Our Year 5 and 6 children attended an online safety workshop and presentation this week. They learned about how to stay safe online, age limits for using apps and what to do if they feel uncomfortable online. They also learned more about mindfulness and wellbeing and how to build resilience in today's technological world.

The children were a credit to the school, with excellent behaviour and engagement shown throughout the day.

Well done to them all.
